The Experts Corner by Recorded Future University

The Expert's Corner, presented by Recorded Future University, is a client-facing training series that presents specific topics and workflows of the Recorded Future Platform. Each session will look at different features, functionality, and experiences across all module types, and dive deep into their applicability and actionability for end-users. Sessions will be offered on a regular basis and will be recorded and published to Recorded Future University, where you can view them at any time. Join product experts, as well as surprise guest speakers from the Recorded Future family, as we continue to bring world class training to our clients.

Prerequisite: Attendees should be users of Recorded Future for at least 3 months. We strongly encourage all attendees to complete the New User Onboarding course relevant to your license in [Recorded Future University](#).

CPE Credits: This webinar is eligible for 1 CPE Credit from ISC2. Requests for CPE credits can be submitted via email to training@recordedfuture.com after each session.

TARGET AUDIENCE

All clients are encouraged to attend. Topics will vary; we aim to provide content for all license types.

OBJECTIVES

- Enhance confidence with Recorded Future
- Expand awareness of advanced level product features
